

## **GUEST POLICY**

EWGA loves to have you bring your friends and colleagues to our “official member/guest events”, including our Spring Kick-off event and designated “member/guest” golfing events. EWGA members are welcome to bring a guest to education and golfing (non-member/guest) events once per year to expose them to our organization, other than the Chapter Championship or our Rally For A Cure events, both of which are for members only. Members are encouraged to bring multiple guests throughout the year; however, a guest may attend only one such function per year without joining our EWGA chapter. The exception to this is for out-of-town weekend events where spouses and significant others are welcome to attend any or all events (Sun Valley, Tamarack, Whitetail).

EWGA members from other chapters are welcome to participate in our chapter events on an unlimited basis. *If education or playing slots are limited, members will be given preference over guests.*

If you have any questions about these policies, please contact a Board Member.

*Updated April 7, 2008.*
